Our Most Popular Product Offering

All images (unedited) from your portrait session.

Westminster Class of 2026

Student Name _____

Email (for invoice and digital delivery) _____

Phone _____

You can purchase all images from your portrait session, unedited, in Jpeg format. These are the images that we made on picture day with no cropping or editing done to remove facial blemishes, etc. By making this purchase, you become the owner of the images and can use them in any manner. You will have access to a professional photo lab through your gallery. There you can purchase prints and other products as needed. If you would like to have some images edited, we can provide that service at \$25 per image. The edited version will then be loaded into your gallery to use as you wish.

Since the covid years, this has become our most popular product offering by far, reaching 50% in 2023.
